

Cotton Boll Quilt Guild Board Meeting Minutes

Location: Zoom Meeting
June 8, 2023

Present: Michelle Kloeti, Nola Chambers, Pat Hobaugh, Cathy Browne, and Irene Nelson

2:00 Meeting Called to Order by Michelle Kloeti

Current bylaws and changes needed were discussed. The current bylaws were put into effect in 2020. There is a provision that says that they need to be amended and voted upon **at least** every 5 years.

Board determined that a committee should be formed for January 2024. At least three people are required to form a committee. The new committee would be responsible for looking for any changes/deletions/additions needed. The new committee would strike out the "old/existing" verbiage and write the new verbiage in red. This new version of the bylaws would be presented to the board for approval, and then presented to the guild.

Michelle expressed a need for suggestions for a nominating committee. The CBQG will need a new president, vice president, and program committee chair.

Michelle Kloeti will be the retreat committee chair.

Nola will design an interest survey for guild members to complete in order to assist the program committee for next year's program interests.

Meeting was adjourned at 2:25.
