

## Cotton Boll Quilt Guild 2023 UFO monthly Challenge

This year you are being challenged to finish some of your UFO's.

1. What is a UFO?
  - A. Any quilt or related project or kit that you have started or have in your possession by February 2023.
  - B. These are your projects, not something you are making for others for pay.
  - C. A quilt must need at least a binding and a label to be considered a UFO.
2. Do I have to make an entire quilt in one month?
  - A. No, if it is a large project, it can be broken into segments, one for each month.
  - B. If you are hand quilting a quilt, it can be broken down into parts. Detail what you plan to do each month.
  - C. Choose projects that have been started but are unfinished or projects that need to be started.
  - D. The idea is to have fun, keep the rules simple and hopefully have fewer UFO's at the end of the year.

So what do you need to do?

1. Sign up by the February meeting by
  - A. Completing the list of the six projects that you are planning to work on. Make a copy for yourself.
  - B. Turn in your list and 2 FAT QUARTERS entry fee to Frances Thomason.
  - C. Each person who signs up will be entered into a drawing for the fat quarters.
2. At the guild meetings in March, April, May, September, October, and November, show what you have finished that month.
3. If you do not complete anything on your list, you will owe a fat quarter. Give to Frances.
4. If you do finish an item, your name will be added to the drawing for the fat quarters at the end of the challenge in December.
5. If you are not at the meeting you will owe a fat quarter UNLESS you show your project through zoom, email or text a picture to Frances or have a friend bring in your completed project.
6. At the December meeting a winner will be drawn to receive ALL OF THE FAT QUARTERS THAT HAVE BEEN COLLECTED!
