### **Program:**

Linda Hayes presented an overview of the many ways one can be inspired to make a quilt and select the color scheme of the quilt.

Some of the ideas she presented were:

- ❖ You see a quilt that you love and want to make one.
- ❖ You see a fabric line that you love and have to use in a quilt.
- ❖ You may go on a trip and look at one of your photos and recapture the colors in the photo.
- ❖ You may find a particular fabric and use it as a color palette.
- ❖ Photos from a road trip can help you make a "Scrappy Trip" quilt. The free pattern is available on quiltville.com.

Linda presented a slide show with pictures and examples of quilts.  
Slide show ended at 7:06.
